Billing: We encourage all groups to pay or arrange billing prior to the performance date. As necessary, invoices will be mailed the day after the concert.

Transportation: Each group is responsible for its own transportation to and from the event. Directions for arrival and departure will be sent with reservation confirmations.

Chaperones: Chaperones are responsible for the behavior of their students. The symphony requests that at least one adult accompany every 6 students attending.

Special Assistance: Let us know if any of your students need special assistance. We will be able to accommodate them better if notified in advance. The performance locations are wheelchair accessible.
