

VOTE Sam Bourquin

Mardi Gras King!

Sam Bourquin was born and raised in Canton Ohio. Sam has always been very active in sports and enjoyed many awards honors for his athletic accomplishments. In fact, Sam's record of 16 consecutive wins on the Baseball diamond for Central Catholic held for over 20 years before being eclipsed in 2009. After graduating from Central Catholic High School, Sam attended Walsh University.

Sam grew up listening to local broadcasters Jim Johnson and Joe Tait. At an early age he knew that he wanted to be like those two broadcasting legends. He combined his love for sports with a genuine sense of humor and forged ahead in his own broadcasting career. While the Cleveland Cavaliers, Browns, Indians, and Ohio State are regional favorites, Sam has quickly become the voice of local Stark County sports. Sam can be heard most every Friday or Saturday calling a game for WHBC and then breaking down the day to day topics on his afternoon talk show. His knowledge of sports and his appreciation for the history of sports in this area combine to make him respected and admired on Canton airwaves.

When Sam manages to get a little time to himself, you may run into him on the local golf course working on his game, taking in yet another sporting event, or relaxing by the pool. When he becomes a KING he hopes that Lady Luck will finally agree to join him in Vegas!
